

REMARKS

Claims 1-47 are cancelled. Claims 48-73 are added and are all of the claims in the application.

Independent claims 48 and 60 are patterned after independent claims 1 and 3, respectively of priority U.S. Patent No. 6,143,611. Independent claim 66 is patterned after issued claim 1 of priority U.S. Patent No. 6,576,939 B1. All presented claims are seen to be allowable over the art of record.

Respectfully submitted,
